INTRODUCTION

We believe that all those who form the community at Barnsley College or ITS (“the College”) (governors, staff, learners, visitors and contractors) have a right to be valued equally and to have equality of opportunity.

We will promote shared values that include equality and diversity, valuing and involving our community, showing care and respect for others and demonstrating honesty and fairness in everything, we do. The delivery and promotion of equal opportunities underpins the College’s Vision.

Barnsley College, as a public body, is subject to legislation to:

- eliminate discrimination, harassment and victimisation;
- advance equality of opportunity;
- foster good relations across the protected characteristics of:
 - age
 - disability
 - gender reassignment
 - race
 - religion or belief
 - sex
 - sexual orientation;
 - pregnancy and maternity;
 - marriage and civil partnership.

We aim to foster a culture where everyone in the College community can flourish and fulfil their potential.

SECTION 1 – KEY PRINCIPLES

The purpose of this Single Equality Scheme is:

- to create an inclusive environment underpinned by fair and equitable practices and procedures in which all members of the community can feel valued and respected;
- to provide a framework for good practice in all matters relating to members of the College community;
- to provide a framework for the provision of, and access to, the facilities, benefits and services that the College provides;
- to ensure that all members of the community are aware of their responsibilities under the Equality Act 2010;
- to inform the development of the Single Equality Scheme Action Plan;
- to ensure adherence to relevant College procedures.

SECTION 2 - DEVELOPING THE SCHEME

In developing the original Single Equality Scheme, we consulted staff and students and have continued to develop and update the Scheme to reflect legislative changes and feedback from learners, staff and stakeholders. We regularly seek students' views on our equality and diversity practices to ensure that we are focusing on issues and developments that are relevant and of benefit to students, mainly through the Learner Voice mechanism.

SECTION 3 - MEETING OUR DUTIES

The Equality Act sets out specific duties for public sector organisations as follows:

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

In order to meet our legal duties, we will endeavour to ensure that:

- staff, students, contractors, suppliers and stakeholders are aware of the value placed upon equal opportunity and the Single Equality Scheme and that action will be taken in the event of any breach of the Scheme;
- Governors and staff have access to relevant and appropriate information which assists them to plan, implement and monitor actions to carry out their responsibilities under the Scheme;
- the College's publicity materials present appropriate and positive messages about protected groups, is clear and easily understood;
- our admissions criteria do not include unduly restrictive conditions or requirements;
- schemes of work, lesson content and teaching resources demonstrate sensitivity and positive promotion of protected groups;
- all learners can access appropriate support and facilities;

- applicants for employment are drawn from a wide pool with positive action to encourage applications from under-represented groups;
- recruitment and promotion procedures are designed and implemented to eliminate unlawful discrimination;
- we create a working environment underpinned by fair and equitable practices and procedures in which all members of the community can feel comfortable;
- we actively tackle discrimination on the basis of a protected characteristic whether overt, covert or by omission;
- all partners, contractors and consultants are committed to equality and diversity in service provision;
- staff development schemes are designed to meet the particular needs and enhance the skills of individuals of all under-represented groups;
- we gather and use information on how the College's policies and practices affect the educational opportunities available to, and on the achievements of, protected groups;
- we assess the impact of our policies on staff and students from protected groups.

SECTION 4 – EQUALITY ACT 2010

The Act came into operation on 1st October 2010, with further public sector duties, known as the equality duty, coming into force in April 2011. The College Single Equality Scheme and Action Plan were amended to reflect changes that affect the College staff, students and others in the College community.

The Equality Act and its public sector duties cover all nine protected characteristics:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Race
- Religion or belief
- Sex
- Sexual orientation
- Pregnancy and maternity

The public sector equality duty requires public bodies to:

- eliminate discrimination, harassment and victimisation;
- advance equality of opportunity;
- foster good relations.

SECTION 5 - EQUALITY AND ELIMINATING DISCRIMINATION

At Barnsley College, we are committed to embedding good practice across all of the protected characteristics. We will aim to eliminate unlawful discrimination and break down institutional barriers before they can affect people. We will aim to remove any barriers that we have not foreseen swiftly and sensitively as soon as they become apparent.

See **Appendix B** for full details of the College's specific commitments in relation to the protected characteristics.

Appendix G provides information relating to legislation across all equality strands.

SECTION 6 - HARASSMENT AND BULLYING

We aim to foster an environment in which all members of the College community can work and study effectively. Harassment and bullying are not acceptable, even if they are an isolated incident. The College will endeavour to eliminate all forms of harassment and bullying should they become apparent.

SECTION 7 – MONITORING AND REPORTING OUR PROGRESS

We will collect and analyse data to measure our progress towards the values set out in this Scheme.

Monitoring information will be distributed each term to members of the Equality and Diversity Strategy Group for information and planning purposes.

Appendix E details the information we will collect, analyse and monitor.

SECTION 8 – ROLES & RESPONSIBILITIES

The Principal and Vice Principal Students are responsible for leading on equality, diversity and inclusion across the College, however, the whole College community has a duty and responsibility to abide by the key principles contained in this scheme.

See **Appendix D** for full details of roles and responsibilities across all activities.

SECTION 9 - GOOD PRACTICE IN STAFFING ISSUES

We will continue to ensure that all current and prospective staff are treated equitably, justly, fairly and without discrimination in their working lives by applying all equalities legislation to our Human Resources practices.

We will continue to screen our policies for equality impact, as appropriate and will take action where necessary.

Equality of opportunity is promoted through our recruitment procedures including the use of positive action and the monitoring of retention of staff.

Appendix G details our specific Human Resources commitments.

SECTION 10 – TRAINING

Both compulsory and non-compulsory equality, diversity and inclusion training programmes will be provided to support the Single Equality Scheme. This involves everyone throughout the College (Governors, students and all staff). Promoting equality, diversity and inclusion will continue to form a part of induction for all new staff and learners.

SECTION 11 – EQUALITY IMPACT ASSESSMENTS

The College will consider the needs of all individuals (staff, students and visitors) when shaping policy, delivering services and in relation to employment.

We ensure that our decision-making is robust, transparent and that we have fully considered the impact of our proposal on all protected groups. Having a sound decision making process not only fulfils our statutory requirements but it also ensures that we are better placed to deliver policies and services that are inclusive, efficient and effective.

While the Equality Act does not explicitly require Equality Impact Assessments (EIA) to be conducted, we must consciously consider the three aims of the Equality Duty as part of the process of decision-making. Keeping a record of how we have considered the equality duties via an EIA is a simple way of evidencing that we have complied with the equality duties.

The EIA is conducted by completing five main questions:

- Aims and objectives of the proposal
- Outcomes and impacts of the proposal
- Minimising the negative impacts
- Maximising the positive impacts

- Incorporating or disregarding feedback

During the decision-making process, the policy author must ensure that they have:

- not unlawfully discriminated;
- engaged with stakeholders;
- engaged in an evidenced based decision making process;
- paid due regard to the Public Sector Equality Duties;
- considered the impact of the proposal on protected groups.

SECTION 12 - PUBLICITY AND AWARENESS OF THE SINGLE EQUALITY SCHEME

The College will ensure that all staff, students, visitors, stakeholders, contractors and suppliers are made aware of our Single Equality Scheme and Action Plan. The Scheme will be drawn to the attention of students and staff at induction and new staff will be expected to subscribe to it at the time of appointment. The College will continuously develop its methods of publicising the scheme to learners.

SECTION 13 - POSITIVE ACTION TO PROMOTE CHOICE, OPPORTUNITY AND PROGRESSION

We will continue to ensure equality of access to the delivery of our programmes of learning. We will ensure that all members of the College community can learn, teach, train and succeed in a mutually supportive environment.

We will also continue to ensure equality of access to employment using positive action where appropriate and within the scope of the Equality Act 2010.

SECTION 14 – COMPLAINTS RELATING TO EQUALITIES

Staff and learners will be made aware of the complaints procedures via induction. The Single Equality Scheme and Complaints Procedure are made available on the College website and to any member of the College community on request.

We will monitor the equality data of complainants, whenever possible and use this information to ensure that there are no discrepancies in the level or type of complaints from different equality groups.

SECTION 15 - WHAT HAPPENS IF THE SINGLE EQUALITY SCHEME IS NOT ADHERED TO?

Barnsley College will not tolerate behaviour which breaches its Single Equality Scheme and will initiate action which may be of a disciplinary nature (where appropriate) against those who do not meet the standards of behaviour required. Where appropriate such action will be backed up by support and training.

Behaviour that includes:

- Acts of wilful, unfair and unjustified discrimination, victimisation, harassment or bullying against members of the College community.

and /or

- acts of discrimination, harassment, victimisation or bullying by contractors, visitors to the College, members of the College community or members of the public.

For those who wish to make a formal complaint, full details of how to do this can be found in the College’s Complaints Procedure, which is available on the College’s website.

Appendix G – Legislation

The Equality Act 2010

The Equality Act updates, simplifies and strengthens the previous equality legislation (Appendix M). It covers employment, facilities, goods, services and education, including the admission and treatment of learners.

The Act makes it unlawful to discriminate against people based on nine protected characteristics:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual Orientation

Age

The act defines age by reference to a person's age group. An age group can be:

- People of the same age or a range of ages.
- Wide such as 'people under 25'.
- Narrow such as people born in 1976.
- Relative such as 'a person older than me' or 'younger than me'.
- Linked to an actual or assumed physical appearance.

Disability

A person is a disabled person under the Act if they have 'a physical or mental impairment which has a substantial and long term adverse effect on their ability to carry out normal day to day activities.'

There is no need for the person to have a medically diagnosed cause for their impairment. What matters is the impairment and not the cause.

Colleges have a duty to make reasonable adjustments for people with disabilities, and cannot unlawfully discriminate, harass or victimise because of a disability.

Gender reassignment

Gender reassignment is defined as a personal rather than a medical process which involves a person expressing their gender in a way that differs from or is inconsistent with the physical sex they were born with.

A person will be protected because of gender reassignment where they:

- Make their intention know to someone.
- Propose to undergo gender reassignment surgery (even if it is not completed).
- On starting gender reassignment surgery.
- Start or continue to dress, behave or live according to their gender identity.
- Undergo any treatment related to gender reassignment.
- Receive gender recognition under The Gender Recognition Act 2004.

Marriage and Civil Partnership

Marriage is defined as a 'union between a man and a woman'. Same-sex couples can have their relationships legally recognised as 'civil partnerships' and be legally married. Civil partnerships and same sex marriages must be treated no less favourably than heterosexual married couples.

All employees are protected against discrimination on the basis of marriage or civil partnership. However, being married or in a civil partnership is not a protected characteristic for Further Education Colleges.

Pregnancy and maternity

Pregnancy is the condition of being pregnant or expecting a baby. Maternity refers to the period after the birth and is linked to maternity leave in the employment context. In the non-work context, protection against maternity discrimination is for 26 weeks after giving birth and this includes treating a woman unfavourably because she is breastfeeding.

Race

The Act defines race as a person's:

- colour;
- nationality;
- ethnic or national origin;
- racial group – a group of people that share a colour, nationality, ethnic or national origin.

Religion or belief

The protected characteristic of religion or belief includes any religion and any religious or philosophical belief. For a religion to be protected it must have a clear structure and belief system.

Belief means any religious or philosophical belief and includes lack of belief. For a belief to be protected under The Equality Act:

- it must be genuinely held;
- it must be a belief and not an opinion or viewpoint based on the information available at the moment;
- it must be a belief as to a weighty and substantial aspect of human life and behaviour;
- it must attain a certain level of cogency, seriousness, cohesion and importance;
- it must be worthy in a democratic society;
- it must be compatible with human dignity and not conflict with the fundamental rights or others

Sex

Unlawful sex discrimination happens when someone is treated unfairly because of their gender. Women, men and transsexual people can all experience sex discrimination.

Sexual Orientation

The law protects people from discrimination in employment, services or education on the grounds of sexual orientations towards people of the same sex, people of the opposite-sex, or people of both sexes.
